**Please check ONE (if boat not currently at RCBY):**

- I will deliver my boat to RCBY by water
- Please pick my boat up for service/hauling- location \_\_\_\_\_
- I will drop my boat off on my trailer on \_\_\_/\_\_\_/\_\_\_ \*\*\*Trailer boat owners are responsible for filling Fuel tanks before dropping boat off at Ryder's Cove Boat Yard for Storage.

**Boat and engine:**

- Haul boat
- Pressure Wash Bottom, Remove Hull Stains (we do not pressure wash boats on trailers--\$100 forklift charge)
- Wax Boat Interior (we would prefer to put your boat away clean and to save time during the spring rush).
- Winterize Engine/s (NOTE: Gearcases due for Water pump replacement (biennial) or with evidence of water in gear oil will be removed, stored and serviced over the winter, unless otherwise instructed.)
- Maintenance - Replace Engine Mounted Fuel Filters
- Maintenance - Clean Fuel Injectors
- Recondition prop, if needed- checking this box gives RCBY authorization to recondition prop as needed
- Pump Holding Tank \*\*\*Customers are responsible for Emptying/Cleaning their own Porta-Pottis\*\*\*
- Winterize Boat Systems (this includes all water systems, tanks, permanently installed heads and holding tank)
- Shrink Wrap Cover
- De-rig Sailboat (explain as necessary) \_\_\_\_\_
